Information for Ordering Activities Applicable to All Special Item Numbers

SPECIAL NOTICE TO AGENCIES: Small Business Participation SBA strongly supports the participation of small business concerns in the Federal Acquisition Service. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.gsaadvantage.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Acquisition Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

The user ordering activity will take appropriate action by instruction, agreement, or otherwise, to protect the Contractor's proprietary property with any third parties that are permitted access to the computer programs and documentation in connection with the user ordering activity's permitted use of the computer programs and documentation. For purposes of this section, all such permitted third parties shall be deemed agents of the user ordering activity.
- (3) Except as is provided in paragraph 8.b(2) above, the ordering activity shall not provide or otherwise make available the software or documentation, or any portion thereof, in any form, to any third party without the prior written approval of the Contractor. Third parties do not include prime Contractors, subcontractors and agents of the ordering activity who have the ordering activity's permission to use the licensed software and documentation at the facility, and who have agreed to use the licensed software and documentation only in accordance with these restrictions. This provision does not limit the right of the ordering activity to use software, documentation, or information therein, which the ordering activity may already have or obtains without restrictions.
- (4) The ordering activity shall have the right to use the computer software and documentation with the computer for which it is acquired at any other facility to which that computer may be transferred, or in cases of Disaster Recovery, the ordering activity has the right to transfer the software to another SERVER or CPU if the ordering activity SERVER or CPU for which it is acquired is deemed to be unsafe for ordering activity personnel; to use the computer software and documentation with a backup computer when the primary computer is inoperative; to copy computer programs for safekeeping (archives) or backup purposes; to transfer a copy of the software to another SERVER for purposes of benchmarking new hardware and/or software; and to modify the software and documentation or combine it with other software, provided that the unmodified portions shall remain subject to these restrictions.
- (5) "Commercial Computer Software" may be marked with the Contractor's standard commercial restricted rights legend, but the schedule contract and schedule pricelist, including this clause, "Utilization Limitations" are the only governing terms and conditions, and shall take precedence and supersede any different or additional terms and conditions included in the standard commercial legend.

9. SOFTWARE CONVERSIONS - (SIN 132-32)

Full monetary credit will be allowed to the ordering activity when conversion from one version of the software to another is made as the result of a change in operating system , or from one computer system to another. Under a perpetual license (132-33), the purchase price of the new software shall be reduced by the amount that was paid to purchase the earlier version. Under a term license (132-32), conversion credits which accrued while the earlier version was under a term license shall carry forward and remain available as conversion credits which may be applied towards the perpetual license price of the new version.

10. DESCRIPTIONS AND EQUIPMENT COMPATIBILITY

The Contractor shall include, in the schedule pricelist, a complete description of each software product and a list of equipment on which the software can be used. Also, included shall be a brief, introductory explanation of the modules and documentation which are offered.

11. RIGHT-TO-COPY PRICING

The Contractor shall insert the discounted pricing for right-to-copy licenses.

You agree that you will not reverse engineer, decompile or disassemble any portion of the SOFTWARE. If you dispose of any media or apparatus containing SOFTWARE, you will ensure that you have completely erased or otherwise destroyed any SOFTWARE contained on such media or stored in such

apparatus. Except as expressly provided in Section 4 below, you may not distribute, lease, transfer for profit, loan or otherwise convey the SOFTWARE or any portion thereof to anyone.

2. **COPYING RESTRICTIONS.** In order to effect your license rights hereunder, you may install the SOFTWARE by copying it onto the hard disk drive or into the CPU memory of a single computer for use thereon, and you may make full or partial copies of the SOFTWARE, but only as necessary for backup or archival purposes. You agree that (i) your use and possession of such copies shall be solely under the terms and conditions of this Agreement, and (ii) you shall place the same proprietary and copyright notices and legends on all such copies as included by Bamboo Solutions on the media containing the authorized copy of the SOFTWARE originally provided.

3. **OWNERSHIP OF SOFTWARE AND MEDIA.** You agree and acknowledge that Bamboo Solutions transfers no ownership interest in the SOFTWARE, in the intellectual property in any SOFTWARE or in any SOFTWARE copy, to you under this Agreement or otherwise, and that Bamboo Solutions and its licensors reserve all rights not expressly granted to you hereunder. After you pay any applicable license fees and/or the purchase price of the applicable Bamboo Solutions, you will own the media on which the SOFTWARE was originally provided to you hereunder and on which you subsequently copy the SOFTWARE, but Bamboo Solutions and its licensors shall retain ownership of all SOFTWARE and copies of the SOFTWARE or portions thereof embodied in or on such media.

4. **TRANSFER RESTRICTIONS.** If you transfer ownership of the SOFTWARE you may transfer the SOFTWARE and all licenses and rights in the SOFTWARE granted to you under this Agreement to the transferee provided that: (i) such transferee agrees in writing to accept the terms and conditions of this Agreement, and (ii) you also transfer all SOFTWARE, including all copies thereof, to such transferee. Except as provided in this Section, you may not sublicense, transfer or assign this Agreement or any of your rights or obligations under this agreement, in whole or in part.

5. **EXPORT RESTRICTIONS.** You agree that you will not export or re-export, directly or indirectly, to Albania, Bulgaria, Cambodia, Cuba, Estonia, Laos, Latvia, Libya, Lithuania, Mongolian People's Republic, North Korea, Poland, Romania, the Commonwealth of Independent States, Vietnam, China (P.R.C.) or Afghanistan (i) technical data of the SOFTWARE that you received under this Agreement, or (ii) the direct product of such technical data or SOFTWARE, if such direct products are commodities, software or technical data described on the Control List with a letter A following the respective Export Control Numbers published by the U.S. Department of Commerce. The foregoing obligations will apply to you unless (a) the Export Administration of the U.S. Department of Commerce explicitly permits the export or re-export of such technical data or SOFTWARE, or (b) the Office of Export Licensing of the U.S. Department of Commerce has granted authorization to you in writing for the export or re-export of such technical data or SOFTWARE. Your obligations under this Section shall survive any termination of this Agreement.

6. **ENFORCEMENT OF TERMS; TERMINATION.** If you fail to fulfill any of your material obligations under this Agreement, Bamboo Solutions and/or its licensors may pursue all available legal remedies to enforce this

Agreement, and Bamboo Solutions may, at any time after your default of this Agreement, terminate this Agreement and all licenses and rights granted to you under this Agreement. You agree that Bamboo Solutions licensors referenced in the SOFTWARE are third-party beneficiaries of this Agreement, and may enforce this Agreement as it relates to their intellectual property. You further agree that, if Bamboo Solutions terminates this Agreement for your default, you will, within thirty (30) days after any such termination, deliver to Bamboo Solutions or render unusable all SOFTWARE originally provided to you hereunder and any copies thereof embodied in any medium.

7. **GOVERNING LAW.** This Agreement shall be governed by and interpreted in accordance with Virginia law, excluding its choice of law rules. **U.S. GOVERNMENT USERS.** If the SOFTWARE is acquired by or on behalf of an entity of government of the United States of America, the following provision applies: **U.S. GOVERNMENT RESTRICTED RIGHTS LEGEND.** Use, duplication or disclosure of SOFTWARE by the Government is subject to restrictions as set forth in FAR 52.227.19(c)(2) or subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer SOFTWARE clause at DFARS 252.227.7013 and/or in similar or successor clauses in the FAR or the DOD or NASA FAR Supplement. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY ANY BAMBOO SOLUTIONS EMPLOYEE, REPRESENTATIVE OR DISTRIBUTOR WILL CREATE A WARRANTY FOR THE SOFTWARE, AND YOU MAY NOT RELY ON ANY SUCH INFORMATION OR ADVICE.

9. **INTELLECTUAL PROPERTY RIGHTS PROTECTION.** If any third party brings a suit against you that is based on a claim that the SOFTWARE, solely as furnished to you under this Agreement, constitutes direct infringement of any patent issued by, or copyright registered in, the United states, Bamboo Solutions shall defend such suit or proceeding and shall pay any damages and costs finally awarded therein against you with respect to such matter, provided that you promptly inform Bamboo Solutions of any such claim, furnish Bamboo Solutions with a copy of each communication, notice or other action relating to the alleged infringement and give Bamboo Solutions the Authority, information and assistance necessary to settle, compromise or litigate such suit or proceeding. Following notice of a claim or a threatened or actual suit, Bamboo Solutions may, without obligation to do so, at Bamboo Solutions sole option: (a) procure for you the right to continue to use the SOFTWARE as furnished, (b) replace or modify the SOFTWARE to make it non-infringing, or (c) discontinue your license for the SOFTWARE and refund to you any license fee that you paid for it, less a reasonable value for use, determined by prorating such license fee on the basis of a thirty-six (36) month straight line depreciation method, applied to the period of actual use. Bamboo Solutions shall not be obligated to defend or be liable for costs and damages if the infringement or claim thereof arises out of: (i) use or combination of SOFTWARE with products or data not provided by Bamboo Solutions, (ii) use of other than the latest unmodified release of SOFTWARE made available to you by Bamboo Solutions if such infringement would have

been avoided by the use of such release of SOFTWARE, (iii) modification of the SOFTWARE by anyone by Bamboo Solutions, (iv) use of SOFTWARE after receiving notice, or having reason to believe, that SOFTWARE infringes a patent or copyright of a third party, or (v) a claim based on any portion of the Windows(r) software that may be included with SOFTWARE.

THE FOREGOING STATES YOUR EXCLUSIVE REMEDY AND BAMBOO SOLUTIONS ENTIRE LIABILITY WITH RESPECT TO INFRINGEMENT OF ANY PATENT OR COPYRIGHT BY SOFTWARE, AND BAMBOO SOLUTIONS SHALL HAVE NO LIABILITY WITH RESPECT TO ANY OTHER INTELLECTUAL PROPERTY RIGHT.
